Chapter 1 by CubeSmp Has Ebola

Being woken up in the morning by a floating, fantasy-like creature wasn't exactly what Alix would call a perfect wake up call. Quiet the opposite of that actually.

So when she was pushed off the bed by a hovering, light blue, stuffed animal that was only the size of her hand, she was- well confused.

She thought she was still dreaming. To make matters worse, the.. thing... Starting talking to her. It was trying to start a friendly conversation, by screaming at her, and I quote, 'wake the h* up your going to be late for your first day of 10th grade.'
